**MOUNT BRYDGES DISTRICT ATHLETIC ASSOCIATION
RETURN TO PLAY FRAMEWORK**

Mount Brydges District Athletic Association
22647 Adelaide Rd
Mount Brydges, ON
N0L 1W0

Purpose

The Mount Brydges District Athletic Association (MBDAA) has worked in conjunction with Hockey Canada, The Ontario Hockey Federation, the Municipality of Middlesex Centre, and consulted with Middlesex Public Health on a return to organized sport and recreation plan, to ensure that in every phase of our return the safety of our Players, Coaches, Officials, Administrators and volunteers are at the center of our plan and decision making. This plan focuses on making the return to hockey fluid while enhancing the experience. This document is used for the purposes of the MBDAA only and does not make assertion to hockey programming that falls outside of its jurisdiction.

Disclaimer

The information in this document is not intended or implied to be a substitute for professional medical advice, diagnosis, or treatment. The MBDAA and its Board of Directors make no representation and assume no responsibility in respect to their information concerning COVID-19 as the circumstances are constantly changing, and any information on COVID-19 should be obtained from your Public Health Authority.

The impacts of the COVID-19 outbreak have been felt across Ontario, by families, workers, businesses, and communities. Our hockey family has also felt the impacts of this. COVID-19 has created a unique situation for every person, business, and government body to deal with. Sport for our youth and adults alike closed on March 12, 2020 with no identified return. While the situation is still evolving, the MBDAA continues to work with its partners to prepare for a return to programming with the necessary measures in response to COVID-19. Our plan to return recognizes that although hockey was shut down with us all playing 5 on 5 traditional hockey our return to traditional hockey will be by way of a planned phased in approach.

MBDAA will be implementing a careful, stage-by-stage approach to reintroducing hockey activities within our association. The safety of all participants and members will continue to be the priority, while balancing the needs of individuals within the game. This staged approach does not have a specific time frame, but will evolve further to guidelines of the public health authorities, the provincial government, and our governing body, Hockey Canada, and at all times, will follow the guidance of the Ontario Hockey Federation, as well as OMHA. At any point during the progression, we may need to pause or return to a previous stage in order to protect and support our participants and the public.

Meetings with staff of Tri Township Arena and board members of the MBDAA have occurred, and coupled with the OHF Return to Play Framework, as well as the Middlesex Public Health Unit Return to Organized Sport and Recreation Plan, form the basis for the Return to Play Framework for Mount Brydges Minor Hockey. We also make reference to the Municipality of Middlesex Centre reopening plan for Tri Township and the Komoka Wellness Centre, completed by Middlesex Centre staff.

This Return to Play program will be made available at all times through the MBDAA webpage (<https://mbcougarshockey.ca/>) under the COVID-19/Return to Hockey tab as well as electronically distributed to all registered members by way of electronic mail. It will also be posted on our social media

platforms. Furthermore, an information session will be scheduled with the MBDAA membership prior to our season commencing to address questions and concerns.

MBMHA has designated four members of our Board of Directors to oversee activities ensuring public health guidelines are followed:

- 1) Brad Hipple- President
- 2) Chris Brekelmans- Vice President
- 3) Bruno Bertucci - COVID Officer
- 4) Dave Hoefnagels - Risk Management

A separate COVID Code of Conduct has been created, and all members are required to complete this code of conduct prior to the season commencing.

Sickness protocol:

If players or bench staff become sick, they must not return to hockey. Once able to return a doctor's note will be required in order to return. If a player/bench staff tests positive for COVID19, the entire family will not be able to return until cleared with a doctor's note

Facility Requirements

Tri-Township

COVID screeners will be present at the entranceway to the Tri-Township arena and will be completing screening. Any person not wishing to be screened will not be granted access into the facility. Any persons showing symptoms will not be granted access into the facility.

COVID screening questionnaires will be presented to each team manager or staff prior to each activity (game or practice) and must be signed by the participants guardian, or the participant is above the age of majority. This questionnaire will be presented to the COVID screener or MBDAA representative prior to the teams allotted icetime, and a copy is attached to the end of this document. Failure of the participant or guardian to sign this form will result in the participant not being allowed on the ice. All participants, volunteers, staff and spectators will be logged, and kept on file to allow for tracing purposes.

Members that provide essential services through their employers OR are required to cross the border due to employment are exempt from Questions 3 and 4 on the questionnaire. Please note as "EXEMPT FROM QUESTION DUE TO ESSENTIAL EMPLOYMENT" the first time this questionnaire is completed. If required, proof of essential employment may be requested by MBDAA.

Flow through the facility shall be completed at all times using the Tri Township Arena reopening plan, as prepared by the Tri Township staff. Only the approved entrances and exits shall be used, and one-way traffic as mandated by the Municipality of Middlesex Centre must be adhered to at all times.

Mount Brydges District Athletic Association

All participants must conduct a COVID-19 self-assessment prior to arrival at the facility. (<https://covid-19.ontario.ca/self-assessment/>)

Entering the Facility

All participants are encouraged to arrive at the facility, dressed and no sooner than fifteen (15) minutes before the scheduled rental. There is limited space and time available within change rooms. To allow for physical distancing, change rooms will only accommodate a maximum of 8 participants at any one time. Standard rentals will be provided 3 change rooms, per rental, allowing for a maximum of 22 skaters per rental and up to 2 additional coaches/trainers. If a user requires assistance in tying their skates a guardian may assist while wearing a mask but must exit the dressing room immediately and exit the facility. Due to gathering limits of 50 people, we will not be allowing spectators at this time.

The organization or renter will be stationed within the lobby of the Facility and will meet participants and spectators, if permitted, as they arrive at the facility. This gate keeper will instruct all visitors to the facility to complete the screening questionnaire provided for contact tracing. The organization cannot start to allow their members into the facility until they are operating this registration table, so it is imperative that those individuals arrive first/early. Additional screening may take place prior to participants and spectators being granted access to the facility.

Participants will be asked to follow the directional signage to the change rooms and ice area. Players are to **stay in their rooms until ice is ready** and they will proceed onto the ice through the designated ice entry point in a physical distanced format. Players who just exited the ice surface have **15 minutes** to change and exit the facility through the identified exit. No player is allowed to exit the dressing room until the other players have fully entered the ice surface.

At this time there will be no keys provided for locking change rooms. It will be the responsibility of the organization or renter to monitor physical distancing and direct people to the appropriate locations.

The front door will be opened 15 minutes prior to rental and will be closed and locked once all participants have arrived. The organization or renter will be responsible for contacting facility staff to lock the doors.

Exiting the Facility

Participants and spectators who are within the facility will be required to exit through the main entrance in the designated lane. Users and participants are not to gather in the lobby and/or hallways.

Participant Traffic Flow

See attached plan.

Spectators

At this point in time spectating will not be permitted. Once allowed spectators (excluding parents and guardians who are permitted or required to be there) should be kept out of participant spaces (e.g. fields of play, courts, ice surfaces). At all times within the facility, the maximum number of people shall not exceed the maximum number as set by the Tri-Township arena reopening plan, currently set at 50. Therefore, due to gathering limits of 50 people, spectators will not be allowed to watch. At all times within the facility, social distancing of a minimum of 2 meters must be maintained. COVID Officers and facility staff will be monitoring this.

At all times within the facility, the maximum number of spectators shall not exceed the maximum number as set by the Tri Township / Wellness Centre reopening Plan.

At all times within the facility, social distancing of a minimum of 2 meters must be maintained. COVID Officers and facility staff will be monitoring this.

MBDAA encourages participants to bring their own equipment to the facility. Wherever possible, limit the use of shared equipment unless participants engaged in the same activity are from the same household or social circle. Participant-owned equipment, including sport gloves, should be visibly clean, and shall be cleaned and disinfected between uses. All equipment must be clearly labelled with the participant's name.

If a participant requires first aid, this shall be administered using appropriate personal protective equipment, including a mask and gloves.

Komoka Wellness Centre

Masks must be worn by all people entering the facility including the dressing rooms until such time as their helmet is put on. Access to the Molson pad will be available through the side door under the "Komoka Kings" banner. Members booked on the Molson pad will enter and exit through this door. Access to the Coors pad is through the front door. Members accessing this pad will exit through the side door next to Pete's Sport shop. Arrows are marked on the floor of the wellness centre to aid in smooth traffic flow.

- 20 participants on the ice surface total (includes participants, coaches, referees, etc.) Hockey Canada suggested 25 but Health Unit recommends 20 to ensure distancing can take place
- Will allow up to 4 off ice officials such as timekeeper, dressing room monitor, trainer, etc.
- Teams not allowed into facility until 15 minutes prior to ice time
- Teams must depart facility 10 minutes after end of ice time
- Players must arrive partially dressed and dressing rooms used for putting on skates and helmets.

Mount Brydges District Athletic Association
22647 Adelaide Rd
Mount Brydges, ON
N0L 1W0

Dressing room capacities:

- o Room 1 – Maximum of 12 people
- o Room 2 – Maximum of 12 people
- o Room 3 – Maximum of 8 people
- o Room 4 – Maximum of 8 people
- o Room 5 – Maximum of 8 people
- o Ref room – Maximum of 2 people

2 dressing rooms will be assigned per ice rental only (IE: room 1 and 3)

- o Rooms 1 and 2 will not be assigned together for a rental
 - Hour 1 – room 1 and 3
 - Hour 2 – room 2 and 4
 - Hour 3 – room 1 and 3

- No showers are permitted to be used at this time

Currently we are not allowing spectators other than 1 parent/guardian per group (not per child but per group). This may change based on the Middlesex London Health Unit's recommendation.

Parents may come in to tie skates and then must exit the building until the rental is over at which point parents can come back in to assist removal of skates. Two chairs will be placed outside each dressing room door for tying of skates as parents not allowed into change rooms

Recommended for the younger age groups that 4 off-ice team personnel are assigned to help monitor the dressing rooms and aid with equipment.

- The off-ice personnel would not be part of the 20 on ice
- For on ice activity, 5 on 5 modified game play (scrimmage) is permitted
- As for games vs other centers, that will be based upon the OHF and league direction for next steps
- Facility staff will clean and sanitize the dressing rooms that were used after each rental prior to the next group coming in that will use them.

Failure to comply with the facility requirements, or the requirements of the MBDAA COVID Code of Conduct, and MBDAA Return to Hockey Plan may result in disciplinary action in accordance with the Discipline Policy of MBMHA. Such action may result in the member losing the privileges which come with membership in MBMHA, including the opportunity to participate in MBMHA activities and events, both present and future.

Registration

MBDAA understands that it is important to provide flexibility in the registration procedures for the 2020-2021 season. Due to COVID-19, there will be participants that have an interest in returning to the game right away, and others that will choose to wait until later on in the season before they decide to return to play.

As such, MBDAA is providing the following registration options for players:

- We are providing options for participants to register at later dates, without penalty or late fees.
- There is the possibility that changes to requirements in different geographic regions may be adjusted to.

Stage 1-3 by the Ontario Government over the next 10 months. This may mean that programming in those areas may need to revert to individual training or no programming at all.

- Payment plans on consistent time blocks of 4 equal payments have been set up. This is beneficial to limit credit card fees on payment and refunds. MBDAA recognizes the challenging financial impact some parents have experienced. Each of these 4 payments represents $\frac{1}{4}$ of the season, or approximately 7 weeks in length. Refunds shall be granted based on a pro-rated, weekly stipend. For example, if a player has played 12 weeks of a 28-week season, they will be refunded 16 weeks of the season ($\frac{16}{28}$), less any jersey costs, and insurance costs, etc.

Following Stoppage in Play, Position A switches to Position C, Position B to Position A, Position C to Position B, and so on.

Game Play

- Game time structure based on a 50-minute ice rental
 - 5 min warm up
 - 2 x 22 min period run time
 - 1 min intermission between 1st and 2nd period

Mount Brydges District Athletic Association
22647 Adelaide Rd
Mount Brydges, ON
N0L 1W0

- No overtime / no shootout for tied games
- No faceoffs
 - Period 1 – visiting team has first possession
 - Period 2 – home team has first possession
- No Physical Contact
 - Players must remain one stick length apart
 - Accidental/incidental contact may occur
 - No body checking
 - When a scrum or gathering occurs the puck will be given to the defending team and the attacking team must retreat. A whistle will be blown to separate the players and another whistle to signal the resumption of play once the official is satisfied the attacking team has retreated and the defending team has gained puck possession.
 - A player that loses a glove must immediately retrieve the glove or leave the ice.

All Game Play must be conducted in conjunction with the local PHU and facility rules for the purpose of sanitation and physical distancing.

Line Changes

- Teams will change on the fly.

Goals

- Goals result in a change of possession. The team that scores the goal must allow the other team to advance the puck past center ice before applying pressure. If the puck has not advanced past center ice within 10 seconds of the whistle the official will signal the team that scored to proceed with the attack.
- Example:
 - Team A scores goal

Mount Brydges District Athletic Association
22647 Adelaide Rd
Mount Brydges, ON
N0L 1W0

- Team A must allow Team B to advance the puck past center ice before applying pressure.

Icing

- Icing the puck results in a change of possession. The team that iced the puck must allow the other team to advance the puck past center ice before applying pressure. If the puck has not advanced past center ice within 10 seconds of the whistle the official will signal the attacking team to proceed with the attack.
- Example:
 - Team A ices the puck
 - Team B retrieves puck
 - Team A cannot apply pressure until Team B has advanced the puck past center ice.

Offsides

- Offsides will result in a change of possession. The team that was called for offside must exit their attacking zone (all players simultaneously in neutral zone) before re-entering their attacking zone and applying pressure.
- Example:
 - Team A is called for offside and all players must exit their attacking zone
 - Once all Team A players are simultaneously in the neutral zone they may re-enter their attacking zone

Goaltender Freezes the Puck

- When the goaltender freezes the puck, the attacking team must exit their attacking zone (all players simultaneously in neutral zone) before re-entering their attacking zone and applying pressure.
- Example:
 - Team B goaltender freezes puck
 - Team A must exit their attacking zone

Mount Brydges District Athletic Association

- Once all Team A players are simultaneously in the neutral zone, they may re-enter their attacking zone

Penalties

- Penalty shots will be awarded for penalties as per:
 - 2 min penalties = 1 penalty shot
 - 4+ min penalties = 2 penalty shots
 - All major penalties will result in 2 penalty shots and an ejection from the game
 - Intentional body contact or body checking = 2 penalty shots and may result in removal from the game at the discretion of the referee
 - Intentionally entering the goaltender's crease = 1 penalty shot
 - Coincidental penalties will result in NO penalty shot being awarded
- The penalty shot must be taken by the individual the infraction was committed against unless they are unable to do so because of injury
- The time clock will continue to run during a penalty shot. If the buzzer sounds while the penalty shot is in process, the shot will be allowed to be completed and then the player change will occur.
- If a delayed penalty is called near the end of the game and the clock runs out, and where the result of the penalty shot(s) could change the outcome of the game, the penalty shot(s) will be taken. If the outcome of the penalty shot(s) would have no impact on the outcome of the game, the penalty shot(s) will not be taken.

Penalty Shot Procedure

- When a penalty is called, the clock will not stop (all divisions)
- Penalty shot must be taken by the player infarcted upon (if applicable) and all players on the ice must remain there until the shot is taken
- The player taking the penalty shot will line up at center ice
- All other players from both teams will line up by the far blue line

Mount Brydges District Athletic Association
22647 Adelaide Rd
Mount Brydges, ON
N0L 1W0

- All players will start from a standing position
- Referee will blow the whistle to start play
- All players may begin skating on the whistle; players on the non-penalized team may “chase” the player taking the shot and can prevent it if able to do so.
- Penalties can still be called on penalty shots.
- Should the player miss the penalty shot, play will continue.
- If a goal is scored, the team that scores the goal must allow the other team to advance the puck past center ice before applying pressure. If the puck has not proceeded past the hash marks within 10 seconds of the whistle the official will signal the attacking team to proceed with the attack.

Roster

- Maximum of 9 players plus 1 goaltender (per team)
- Both teams must start the game with a minimum of 5 players plus 1 goaltender

Rules for 3 on 3, 4 on 4 – U9 and below
